Your monthly compensation shall be subject to adjustments and/or deductions as may be required by law. Other employee benefits in addition to standard employee benefits as mandated by Philippine laws (including but not limited to Pag-ibig, Philhealth, SSS, withholding tax, and 13TH Month Pay) will be discussed upon onboarding.

Estimator Key Responsibilities:

- Review and interpret blueprints, specifications, and other project documents to understand the scope of work and identify key project requirements.
- Calculate the cost of materials, labor, and equipment needed for plumbing projects, ensuring all elements are included and accurately priced.
- Develop and submit detailed and competitive bids for plumbing projects, ensuring they are completed within specified deadlines.
- Obtain and negotiate quotes from suppliers and subcontractors to ensure competitive pricing and adherence to project specifications.
- Communicate with clients to understand project needs, answer queries, and provide professional advice on project feasibility and costs.
- Identify potential risks and challenges associated with the project and incorporate contingencies into the estimate.
- Maintain comprehensive records of all estimates, bids, contracts, and correspondence to support project tracking and future reference.
- Work closely with project managers, engineers, and other stakeholders to ensure accurate and comprehensive estimates.
- Stay updated on industry trends, material costs, and market conditions to ensure competitive and accurate pricing.

Performance and Salary Review Process:

Performance review on your 5th month will determine if you will be regularized. Regularization may or may not entitle you to a salary increase.

Performance review upon an employee's annualization may or may not entitle you to a salary adjustment. This depends on the discretion and instruction of the client, company and Management.
