Subject: Sick Leave

Hello Harry,

Good morning.

This week's been tough. I've been getting soaked in the heavy rain almost every day and now I've come down with a high fever and cough. I just need some rest to get better.

I'm available remotely if needed and can check on administrative tasks from my laptop.

Mary, AJ, Edith, and Lovelaine are available to cover things today.

Thank you for your understanding. I'll rest up and be back on track next week.

Thank you,

Beverly Gatbonton
