Subject: August 8, 2025 [Friday] - Leave Request – Personal Errand

Hi Mal,
Hope this email finds you well,

I'd like to request a leave on August 8, 2025 [Friday] as I need to pick up my wife from the airport and assist her with some errands.

Please let me know if this can be accommodated. I'll ensure to leave instructions to the team to follow and be available via teams call and chat for any urgent matter.

Thank you for your understanding.

Kind Regards,
Bryan
