Your monthly compensation shall be subject to adjustments and/or deductions as may be required by law. Other employee benefits in addition to standard employee benefits as mandated by Philippine laws (including but not limited to Pag-ibig, Philhealth, SSS, withholding tax, and 13TH Month Pay) will be discussed upon onboarding.

Key Responsibilities:

- Develop detailed shop drawings, panel layouts, truss designs, and fabrication schedules using ENDUROCADD or comparable steel-frame software.
- Convert architectural/engineering drawings into accurate steel frame detailing ready for rollforming and site installation.
- Perform preliminary structural checks (connections, bracing, load paths) within the software's calculation engine to ensure compliance.
- Collaborate with engineers, architects, and project managers to resolve design clashes and achieve cost-efficient solutions.
- Generate site drawings, assembly guides, and cutting lists for manufacturing and installation teams.
- Ensure outputs comply with relevant building codes and standards (Australian, U.S., or local codes, as applicable).
- Maintain version control of drawings and documentation to align with project revisions.
- Contribute to the continuous improvement of detailing workflows and design libraries.

Performance and Salary Review Process:

Performance review on your 5th month will determine if you will be regularized. Regularization may or may not entitle you to a salary increase.

Performance review upon an employee's annualization may or may not entitle you to a salary adjustment. This depends on the discretion and instruction of the client, company and Management.

General working hours are from 6:00 AM to 3:00 PM Monday to Friday or such other schedules that may be prescribed by the Client of RSS to meet business requirements. Non-working days are Saturdays and Sundays. Declared holidays by the government are followed at the discretion of Resource Staffing Solutions Pty Ltd.
