Your monthly compensation shall be subject to adjustments and/or deductions as may be required by law. Other employee benefits in addition to standard employee benefits as mandated by Philippine laws (including but not limited to Pag-ibig, Philhealth, SSS, withholding tax, and 13TH Month Pay) will be discussed upon onboarding.

#### **Key Responsibilities:**

- *Technical Documentation:* Prepare, review, and maintain detailed engineering drawings, specifications, and fabrication documentation. Ensure all outputs are accurate, clear, and compliant with company and industry standards.
- *3D and 2D Drafting:* Produce 3D models and convert them into 2D workshop and site drawings using AutoCAD, Inventor or SolidWorks.
- *Bill of Materials (BOMs):* Generate comprehensive BOMs and stock lists to support set construction and fabrication processes.
- *Collaboration:* Work closely with engineers, project managers, and manufacturing teams to ensure seamless integration of designs into production workflows. Provide technical support as required.
- *Continuous Improvement:* Identify and propose opportunities for enhancing drafting efficiency, design quality, and documentation standards.
- *Project Management:* Manage multiple drafting projects concurrently, ensuring deadlines and quality benchmarks are consistently met.

#### **Performance and Salary Review Process:**

Performance review on your 5th month will determine if you will be regularized. Regularization may or may not entitle you to a salary increase.

Performance review upon an employee's annualization may or may not entitle you to a salary adjustment. This depends on the discretion and instruction of the client, company and Management.
