Hey Bev,

We still have 5 Clark Team members in today, so we should be all good.

Rest up! 😊

Thanks, Harry

Subject: Sick Leave

Good morning Harry,

I might not be able to come to work today as my symptoms have worsened and I have a fever. It's been raining non-stop this week.

I'll try to work remotely for half the day, but I really need to rest this morning.

The team are complete today. I'll make sure they will cover everything.

Thank you for your understanding.
