Subject: Sick Leave Request - 10/06/2025

Hello TL Bryan,

I would like to formally request sick leave for today, as I am currently experiencing severe difficulty in breathing and have sought immediate medical attention at the emergency department. Given my condition, I am unable to perform my work duties today.

I will provide an update and any necessary medical documentation once my condition has been assessed by the attending physician.

Thank you for your understanding.

Kind regards,
Marnie
