Hello Harry and Jenny,

I hope you are both well.

I would like to kindly request leave from November 3–5, as I'll be going on a beach trip to Boracay with my high school best friends. The team has already been informed about this two months ago to ensure proper coverage during my absence.

Additionally, I would also like to request leave on November 24, 2025, for a family outing in celebration of my mom's birthday.

Thank you, and I'll make sure to complete all necessary tasks before my leave.

Kind regards,

Beverly Gatbonton
