Subject: Request for a Half-Day Leave Today - 26/11/2025

Hello Mal,
I sincerely apologise for the abrupt notice.

I would like to request a half-day leave today as I need to attend to an important personal matter this afternoon. My wife just notified me and requires my assistance to run an urgent errand.

I will place Rhegene as the POC for the meantime and I will be available for any urgent matter that may arise.

Thank you for your continued understanding and support.

Best Regards,
Bryan
