Thanks Bryan,

This should be fine and if you can still support in processing refunds then this will be helpful.

Please just make sure you pop it in the leave calendar - goodluck with the baby-sitter!

Subject: Leave Request on December 2-5, 2025 (4 days only)

Hello Mal,

Hope you're doing well.

I'd like to apologise for the short notice, but I need to request leave starting tomorrow until Friday. We're still having difficulty finding a babysitter, and my wife will be in Manila for an important appointment and will be away until next week. This is the minimum number of days I need to cover until her sister can assist us.

I'll still be available for our meetings tomorrow and the following day, as I now have a temporary device I can use at home.

During my leave, I can also process refunds if needed, but I may not be able to take escalation calls due to childcare responsibilities. I'll do my best to ensure the team remains supported even while I'm at home.

I'm uncomfortable with making this sudden request, but the situation has left me no choice. I'm truly grateful for your consistent understanding and consideration whenever I need time off due to toddler-related childcare challenges.

Thank you so much for your support, Mal.

Sincerely yours,

Bryan
