Subject: Request for Sick Leave - December 24, 2025

Hello Mal,
Hope this email finds you well,

I'd like to request sick leave today as I'm experiencing a sore throat and don't feel well enough to work at my best. Rest assured we have sufficient roster coverage to manage the lines today, and I've only added myself as a backup incase needed.
I'll remain available to support the team should any urgent matter arise.

Thank you for your understanding.

Best Regards,
Bryan
