DL

Darren Lane Friday 8:34 AM

Yes, home on Mondays, Office Tuesday-Friday.
Is there good transport early morning on Tuesday from Pampanga? Do you need to start/finish an hour later on Tuesdays to avoid travelling on Monday night?

Do you have virus protection on your laptop?

We will need to check what the situation is with laptop.

Friday 8:47 AM

Yes, I usually travel very early in the morning on Mondays when I've been in Manila, so it's not a problem. I might arrive 20-30 minutes late, but I'll make sure to manage my schedule accordingly.
Regarding my laptop, I'll bring it to the office on Monday so it can be checked and properly set up

Darren Lane Friday 8:49 AM

Sounds good, I'm just trying to confirm with HR what the policies are with personal laptops

Friday 8:49 AM

Okay Darren, Thanks again 😊

Darren Lane Friday 8:57 AM

What part of Pampanga are you from, just looking at the region and there are a lot of American names / i'm guessing from the war.
